This is a detailed architectural plan view of a residential development. The plan shows a grid-like arrangement of building footprints, which are rendered in dark grey with white outlines to show internal structures. The buildings are interspersed with various types of green spaces: small circular green areas (likely private or semi-private) and larger, more irregular green patches (likely public). A network of roads and paths is shown in light grey, weaving through the development. Parking areas are indicated by small rectangular symbols. The plan is bordered by a thick black line, and a north arrow is located in the top left corner. The overall layout suggests a planned, organized residential neighborhood.
